What a fantastic evening last night as our swimmers represented our school at the Powers interschool swimming carnival. Again by living and breathing our motto of ‘Success by Effort’ these students proved they can achieve in the pool with some fantastic personal achievements.

I am looking forward to another exciting evening tonight as we celebrate the Graduation of our Year 10 students. Our six year 10’s: Jonetani, Mekayla, Jayden, Shanaya, Ebony and Nikheesha; will walk the red carpet for their special evening tonight. As a school community we join together to congratulate these fine young people and wish them well as they continue on their educational journey.

Kind regards
Melissa Austin
